

## Wrexham City Board Conflict of Interests Policy v2

### 1. Conflicts of Interest

Wrexham City Board members will be expected to declare any pecuniary (business) or non-pecuniary (personal) interest they may have in any item of business for the Wrexham City Board and may be required to take no part in discussion of the former, in line with normal public sector custom and practice.

Failure to declare appropriate interests will be grounds for disqualification from the Wrexham City Board.

Upon request, Wrexham County Borough Council will provide advice and guidance to Wrexham City Board members on these matters.

Wrexham City Board members must then complete a Declaration of Interests, which Wrexham County Borough Council will then hold. This can be in a format the local authority already uses.

Wrexham City Board members are responsible for declaring their interests before the Wrexham City Board considers any decisions.

Wrexham County Borough Council must record:

- actions taken in response to any declared interest
- any gifts or hospitality given to the Wrexham City Board or individual members in their role as Wrexham City Board members.
